To Whom it may concern:

I am writing to express my extreme displeasure at the he proposed Microsoft Settlement. It is FAR TOO LENIENT!

Among the settlements obvious flaws are:

NO punishment for past behavior.  
NO attempt to make them lose the spoils of their crimes  
NOT leveling the competitive playing field enough

Without stronger government intervention Microsoft will control the Instant Messaging and Media Player markets using same tactics they used in the Browser markets - UNFAIR BUNDLING.

Read the popular press! EVERY JOURNALIST FROM JUST ABOUT EVERY PUBLICATION AGREES THE SETTLEMENT DOES NOT GO FAR ENOUGH.

Sincerely
